## Journey overview

Embark on a family adventure. A real-life 'Lion King' journey, filled with the captivating characters and expansive landscapes celebrated in Disney's classic.

Your journey plays out against the boundless plains and rugged outcrops of East Africa's legendary Masai Mara, Serengeti, and Ngorongoro Crater: a photographer's dream of picture-perfect light, coloured by the unrivalled hues of African sunrises and sunsets. Children will love this engaging and interpretive journey, as they learn about the 'Circle of Life' as it plays out in the bush in this cycle that's as old as our planet.

This is the animated world in all its cinematic glory, complete with warthogs, clans of hyena, wildebeest migration herds, warthogs, baboons, zebra, giraffe, elephant, red-billed hornbills (named Zazu of course) and, holding centre stage, Africa's ever-magnificent wild lions.

### HIGHLIGHTS OF THE ITINERARY:

- We're paying tribute to Disney's new Mufasa: The Lion King, a global organisation dedicated to the future of Africa's wild lions. Since the release of the original Lion King, the African wild lion population has halved!
- It has heart and it has purpose. Your participation in this itinerary will generate a donation to the Lion Recovery Fund, ensuring that Africa's wild lion population is secured for our children, and our children's children.
- It's a stunner. A heady mix of remarkable locations, unforgettable sightings, world-class guiding and legendary hospitality

### MAKE THE MOST OF YOUR ADVENTURE:

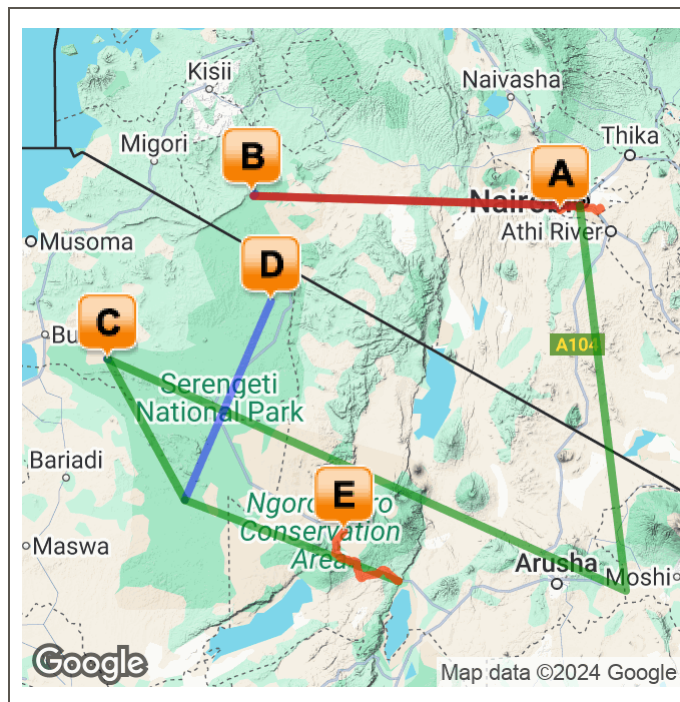

- Make the most of your adventure, book your own dedicated vehicle and private guide
- Spoil yourself with a hot air balloon safari during your stay – the experience of floating almost silently over the Mara or Serengeti should not be missed!
- Indulge in a soothing massage or sit down to a scrumptious picnic next to the Mara River
- End your safari adventure with a few days relaxing on andBeyond Mnemba island

### SPECIALY CREATED FOR:

- Family Travel
- Keen safari-goers
- Wildlife enthusiasts

## andBeyond Grumeti Serengeti River Lodge

*Serengeti Western Corridor, Tanzania*

&Beyond Grumeti Serengeti River Lodge is located in the remote western reaches of the Serengeti. Due to its far-flung location, there are very few lodges in this pristine section of the park, which means that guests can expect the ultimate in exclusivity. Touching the earth lightly and seemingly floating across the landscape, 10 nostalgically elegant, and very spacious, guest suites offer natural light, an enormous bed, bath, an indoor shower (with a spectacular view), and sparkling private plunge pool. A new family suite has been incorporated featuring a small additional bedroom attached.

For a complete cuisine immersion, expect menus that are uncomplicated, easy to eat, fresh, healthy and wholesome. The traditional boma will still be the hero of night-time dining and artisanal pizzas as well as salt-crust, whole baked fish, which pays homage to the region's great lakes, will also be served in this unique space. Of course, the lodge's well-known breakfast trays, with fresh juices and house baked bread are absolutely not to be missed. An interactive kitchen creates a space for guests to work alongside chefs and plan their menus for the day.

Using the natural bow shape of the river, and paying homage to the circular forms of a traditional Masai manyatta, the lodge unfolds to reveal an understated sense of luxury. Enjoy intimate guest areas adorned with Kitenge fabrics and accentuated with stone walls, the lodge also features the vibrant colours of the fishing communities surrounding Lake Victoria and the grey tones representative of hippo hide that have been beautifully woven into deeply comfortable furnishings and bespoke fittings.

Twice-daily game drives from the lodge often encounter large lion prides and clans of hyena, big herds of resident plains game as well as the special black-and-white colobus monkeys, found nowhere else in the Serengeti. Rarely seeing other vehicles makes for an exceptional game viewing experience.

### WHAT WE LOVE ABOUT ANDBEYOND GRUMETI SERENGETI RIVER LODGE

- Head to the gym for an active workout or if you feel like a pamper session, surrender to an in-room massage.
- Enjoy convivial times around the central circular bar; a masterpiece of fabrics and dramatic glass ball light installations.
- Be prepared for a real wow moment as you arrive with spacious decks, perfect for enjoying sundowners and a view of the seasonal hippo pools below.

## Entamanu Ngorongoro

*Ngorongoro Crater, Tanzania*

The intimate refuge of Entamanu Ngorongoro holds a high point on the rim of the Ngorongoro Crater against a backdrop of wild, elemental highlands. Guests have the choice of 6 elevated en suite canvas tent-rooms, one of which is a family tent. Room decks offer private, expansive views onto the Crater. Interiors include a warm mix of wooden floors and finishes, down duvets and quick-heating gas heaters. Each spacious en suite bathroom includes a flush toilet and shower. Our inviting African-themed guest areas include two lounges and a dining room. Every evening, the fireplaces in the communal areas are lit. A large shaded veranda with comfortable chairs runs the length of the communal tent making this an ideal place to relax and, on occasion, watch the enactment of significant Maasai ceremonies around a sacred fig tree.

Head out early morning for some Big 5 game viewing and a delectable breakfast in the bush. Alternatively, set off late afternoon for sundowners on the Crater's rim, and spot elusive, nocturnal wildlife rarely seen during the day. Put on your walking shoes and take to the bush on a guided walk with a member of the local Maasai community. On these gentle walks, you will receive wonderful insights into the area's unique medicinal plants, and the interesting culture and beliefs of the Maasai. Along the way, discover the art of tracking and zoom in on the smaller creatures and vegetation - things that you would generally overlook on a game drive. Guided drives and walks in the wider Ngorongoro area, bird watching and community cultural tours are other activity options.

### Lemala Osonjoi Lodge

*Ngorongoro Conservation Area, Tanzania*

Scheduled to open in 2025 Lemala Osonjoi Lodge is the latest addition to the Lemala portfolio. The world's largest intact volcanic caldera, the Ngorongoro Crater and its surrounding highlands are universally recognized as some of the best, most reliable wildlife areas on the continent. Osonjoi is conveniently located close to the quiet Lemala crater access road on the eastern side of the Crater Wall. A key advantage of staying at Lemala Osonjoi is the quick and easy drive down onto the crater floor in the morning; Lemala guests usually have an hour's head start over others descending via the far busier Seneto crater access road on the western rim. And of course can stay later in the afternoon before returning to camp. As Africa's game is most active in the early morning and late afternoon this means better wildlife experiences for Lemala guests. Game drives from camp may start as early as 6.00am and guests can be down among Ngorongoro's abundant wildlife on the floor within 10-15 minutes - crucial for photographers who demand the best light conditions.
